home, or who, regarding the conbeat as hopeless, voted for the Democrats.—Republican Enterprise.

There's not much doubt, neighbor, that the result of the election, Monday, was a surprise—too no or two of the Republican candidates. One or two of them bad been thinking all along that they were going to "down" their Democratic opponents, and their surprise and dissprointment must have been great, indeed, on learning how badly they had been defeated. But "we beg leave to differ" when you say a "good many Republicans voted for the Democrats." The returns don't say so. On the contrary they show conclusively that the Republicans are so bigoted in their opinions that they refused to vote even for those Democratic nominees who had no opposition. J. Q. Ward polled 2,168 votes for Judge of the Superior Court. He had no opposition the supported the superior Court. Ward polled 2,168 votes for Judge of the Superior Court. He had no opposition. Dan Perrine, with an active opponent, polled 2,211 votes for Sheriff—43 more than Ward. Republicans vote for Dem-ocrats? Not very often do they do it, neighbor. Of course there are excep-tions, but they are "few and far be-tween." We hope the Democrats of Ma-son County will learn a lesson from the late election, and that is to stick to prin-ciples hereafter, and yote straight.

C. D. Moore, Eigin, Ill., writes: "Indigestion, Headache, and Loss of Appetite, had so weakened and debilitated my system, that I was solliged to give up work. After being under the doctor's care for two weeks, without getting any relief, I began taking Ayer's Pills. When, through debility, the action of the kidneys is perverted, these organs rob the blood of the needed constituent, albumen, which is passed off in the urrine, while worn out matter, while they should carry off from the blood, is allowed to remain. By use of Ayer's Saraparilla, the kidneys are restored to proper action, and Albu-miunirs, or

Four bottles of Ayer's Sarsaparilia made me feel like a new person; as well and strong as ever." W. M. McDonald, 46 Summer st., Boston, Mass., had been troubled for years with Kidney Complaint.
